Dear Jones

The Resident goes on tour on the 3rd February next. He will have 10 horses and ponies. Could you kindly spare us a Farrier (as in 1897). I believe it is customary to send out 2 or 3 Sowars with him. Could the Farrier accompany them? They should, if not inconvenient to you, leave this on the 2nd Feb with the Resident's horses. They can start from the Residency where the Daffadar has orders.

I attach a copy of our provisional tour programme.

Send-

Yours sincerely

The Chief Commandant

Mysore State Troops

Bangalore

Sir,

The Resident having intimated that he wishes for the loan of a Carrier to accompany his horses while on tour,

I have the honor by direction, to request that you will kindly arrange for one being detailed for this purpose.

As the Imperial Service Regiment are 70 horses short of strength, it is thought, that one can be easily spared from that Regiment.

As the Resident's horses leave this on the 2nd January the Carrier should be directed to report himself to the Daffedar in charge of Bangalore Residency Stables on the 31st instant.

The Resident will require a Travelling Escort for the Road from Mysore to the Coorg Frontier.

I enclose a Provisional Programme of his tour, and am to request that you will kindly arrange for this.

The date of the return journey will be intimated later.

I forward for your information a copy of my letter to the First Assistant Resident on this subject.

I am to ask that you will kindly make the usual Military arrangements for the reception of the Resident
